

MATHEMA GmbH End-User License Agreement (EULA)

IMPORTANT!

PLEASE READ THE TERMS OF THIS License Agreement carefully before using the Automation Git Utilities.

MATHEMA GmbH End-User License Agreement (EULA) is a legally binding contract between you (either an individual or a legal entity) and MATHEMA GmbH for the use of our software product(s) and possibly associated software components, media, printed materials, and online or electronic documentation. By using, copying, or otherwise utilizing the software product, you agree to the terms of this EULA. This license agreement constitutes the entire agreement regarding the program between you and MATHEMA GmbH and supersedes all previous contracts, representations, or agreements between the parties. If you do not agree with the terms of this EULA, do not use the Automation Git Utilities.

The Automation Git Utilities is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Automation Git Utilities is licensed, not sold.

1. License Grant

The SOFTWARE PRODUCT is licensed as follows:

(A) Installation and Use. MATHEMA GmbH grants you the right to install and use copies of the Automation Git Utilities on your device, provided that the device has a properly licensed copy of the operating system for which the Automation Git Utilities was developed.

(B) Backup Copies. You may make copies of the Automation Git Utilities necessary for private backup and archival purposes.

2. Description of Other Rights and Limitations

(A) Maintenance of Copyright Notices. You must not remove or alter any copyright notices on any copies of the Automation Git Utilities.

(B) Distribution. You are not allowed to distribute copies of the Automation Git Utilities to third parties.

(C) Prohibition on Reverse Engineering, Decompilation, and Disassembly. You may not reverse engineer, decompile, or disassemble, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

(D) Rental. You may not rent, lease, or lend the Automation Git Utilities.

(E) Support Services. MATHEMA GmbH may provide you with services ("Support Services") related to the Automation Git Utilities. Any supplemental software code provided to you as part of the Support Services shall be considered part of the Automation Git Utilities and subject to the terms and conditions of this EULA.

(F) Compliance with Applicable Laws. You must comply with all applicable laws regarding the use of the Automation Git Utilities.

3. Termination

Without prejudice to any other rights, MATHEMA GmbH may terminate this license if you fail to comply with the terms and conditions of this EULA. In such an event, you must destroy all copies of the Automation Git Utilities in your possession.

4. Copyright

All titles, including but not limited to copyrights, in and to the Automation Git Utilities and any copies thereof are owned by MATHEMA GmbH or its suppliers. All titles and rights in and to the intellectual property in and to the content that may be accessed through use of the Automation Git Utilities is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties and subject to use restrictions under such laws or treaties. This EULA grants you no rights to use such content. All rights not expressly granted are reserved by MATHEMA GmbH.

5. No Warranty

MATHEMA GmbH expressly disclaims any warranty for the Automation Git Utilities. The Automation Git Utilities is provided "as is" without any express or implied warranty of any kind. MATHEMA GmbH does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links, or other items contained within the Automation Git Utilities. MATHEMA GmbH makes no warranties regarding any damage that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb, trojan horse, or other such computer program. MATHEMA GmbH further expressly disclaims any warranty or representation to users or to any third party.

6. Limitation of Liability

In no event shall MATHEMA GmbH be liable for any damages (including, without limitation, lost profits, business interruption, or lost information). In no event will MATHEMA GmbH be liable for loss of data or for indirect, special, incidental, consequential (including lost profit), or other damages based in contract, tort, or otherwise. MATHEMA GmbH shall have no liability with respect to the content of the Automation Git Utilities or any part thereof, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information.

7. Severability Clause

If any provision of this agreement is held to be invalid or unenforceable, the remaining provisions of this agreement will remain in full force and effect. The invalid or unenforceable provision will be replaced by a valid, enforceable provision that comes closest to the intention underlying the invalid or unenforceable provision. The same applies if the agreement proves to be incomplete.
